Hello Sisters,

Thank you to everyone who attended District Leadership Conference & the SED's first ever Membership Education Retreat this past weekend. I hope everyone enjoyed their time learning, bonding & growing as leaders within your chapters and your district. We would love to hear your opinions and suggestions for future District Events. Please take a few minutes to fill out the following DCC/MER feedback form so that we can learn & grow with your help:

Within the next 2 weeks I will be compiling all presentations and live stream recordings from each workshop this year. These will be posted

for you on our district website. Please share your new knowledge as well as these workshops with your home chapters! It will be an excellent opportunity to start or improve upon a Continuing Membership Education Program! Stay tuned for updates on these recaps.

Once again, a HUGE thank you to the Epsilon Theta chapter of Tau Beta Sigma & the Iota Chapter of Kappa Kappa Psi for their hard work and dedication to making DCC&MER a massive success! We couldn't have done it without you.

Thank you,

Katelyn Wysong
